if it were free, i'd be alright with it, but it's a game you pay money for, and all you get is the same thing that repeats over and over with no systems to keep you hooked.

dont buy it unless you like games with no point to them.

I like this game.. I regret nothing.. I recommend it for only those who need [Achievements icons, itself in your steam library or activity notification. If not, obviously it must be a trash, unplayable.](#)  
[But I wanted them definitely.. R.I.P Billy Herrington. This game very PogChamp. I gachiGASM whenever I play this game. Just seeing Billy Herrington's big\u2665\u2665\u2665\u2665\u2665getting shot at me makes me hard. 10V10 would get all the achievements again.. FUC\\*K OFF WEEBS ! \u2642 gachi \u2642 is not gay. \u2642 gachi \u2642 is manly \u2642. Aniki didn't die for this.. soundtrack is amazing. this game is like a deep dark fantasy](#)
